BEHAVIOR RULES

Mandatory Disinfection and Showering

Before entering the swimming area, it is mandatory to disinfect your feet and take a shower. Children up to 3 years of age must use swim diapers in the pool.

Consumption of Food and Beverages

Swimmers are not allowed to consume food and drinks in the designated bathing area. Swimmers must not bathe while under the influence of alcohol, drugs, etc. Bringing portable coolers is not permitted.

Swimsuits, Open Wounds, Necessities

Swimmers are not allowed to bathe in inappropriate swimsuits, nor if they have open wounds, bandages, skin diseases, etc. Swimmers must not relieve themselves while bathing.

Rules of Conduct at the Pool

Swimmers must not disturb other bathers, jump into the pool, play ball in the pool, provoke arguments or fights, disrupt the public announcement system, intentionally or negligently pollute the water and other surfaces in the pool area, or use swimming facilities that they are not qualified to use without endangering their health and life.

Respecting Instructions

Swimmers are required to follow the instructions of lifeguards and security personnel at the pool.

Swimmers who do not adhere to the swimming rules will be removed from the pool area.

Entry of Children Under 15 to the Water Park is allowed only when accompanied by an adult.
